

Shri Shivaji College Of Horticulture , Amravati .

A	Facilities Available in the College	
	1). Laboratory Facilities	<p>There are 12 laboratories in the college, all well-equipped with required materials for practical as per university guidelines. All laboratories have complete practical setups.</p> <p>The computer lab contains a total of 20 computers with internet access. Each laboratory has a separate faculty room and a dedicated computer. Students use the laboratory materials during practical sessions and return them afterward. A register is maintained to record the materials borrowed and returned by the students.</p>
2.	2). Library Facilities	<p>The library has a total of 5,017 books. Information about book availability can be accessed digitally due to library automation.</p> <p>Book transactions are carried out through a catalog system. A "User Tracker System" records visits of students and faculty to the library. There are separate reading rooms available for students and faculty. An e-library facility is also provided for students.</p> <p>The entire library is air-conditioned.</p>
B.	Student Personality Development Activities	
	1). Gymnasium	A well-equipped gymnasium is established for students, where they engage in regular exercise.
	2). Placement Cell	<p>A placement cell has been established under the guidance of Prof. Shri Pravesh Deshmukh and Prof. Shri Dinesh Deshmukh. Campus interviews are conducted under this cell. Guidance is also provided for admission into M.Sc. and MBA courses. In 2024–25, a total of 34 students secured admission to M.Sc. and MBA programs.</p> <p>For competitive exam preparation, the college has signed an MoU with</p>

		the Anant Panjabrao Deshmukh Academy. In the academic year 2024–25, two campus generators were conducted through which new students were selected. Thirty students from the eighth semester are currently preparing for competitive examinations.
	Innovative Educational Initiatives	
	1).Language Lab	A language lab is run under the guidance of Prof. Dinesh Deshmukh, with 30 students from the sixth semester enrolled. Students receive regular guidance in soft skills through practical sessions.
	2). Learn and Earn Scheme	<p>A “Learn and Earn” scheme is operated for eighth-semester students. Under this scheme, students prepare various products in the college’s laboratory at the college’s expense and sell them. Students receive 50% of the total profit. In the 2024–25 session, products such as guava candy, amla candy, and amla syrup were prepared in the PHT (Post-Harvest Technology) lab.</p> <p>In the Floriculture Lab, potpourri, bouquets, and chrysanthemum flower sales and guidance were provided. There was record-breaking sales of chrysanthemum and Bijli flowers.</p> <p>In the vegetable department, cherry tomatoes were sold at competitive prices. The administration department oversaw the sale of fruits such as amla, mango, guava, and lemon.</p> <p>Overall, the Horticulture Department achieved total sales of ₹70,000 this year.</p>
