

**Say NO to Ragging – YES to Respect**

*“Ragging is not a tradition, it’s a crime.”*

At our college, we believe in dignity, respect, and unity. Ragging has no place in an environment that fosters learning, friendship, and growth. Every student has the right to feel safe and welcomed.

Let us build a culture of compassion, not fear. Let us be mentors, not tormentors.

**Ragging is a punishable offense – both legally and institutionally.**

**Zero Tolerance Policy:** Any act of ragging will be dealt with strictly.

**Stand up. Speak out. Report ragging.**

**Be the reason someone feels safe, not scared.**

Together, let’s make our college a ragging-free campus where every student thrives with confidence
